Career Objective

A Dedicated, Motivated and Hardworking Bachelor of Computer Applications (BCA) student with a strong foundation in HTML, CSS, JavaScript, PHP, and MySQL, seeking a web development role to apply and expand my skills in creating responsive and user-friendly websites. Eager to contribute to dynamic projects, enhance user experience, and grow as a full-stack developer in a forward-thinking organization.

Education

Bachelor of Computer Applications (BCA)

Dr. MPS Group of Institutions | 2023 – 2026

Current semester – 4th semester

- Comprehensive Curriculum focusing on Programming Languages, Database Management, Networking and Software Engineering.
- Programming skills acquired in C, HTML, and Java.
- Involving in Technical Projects, Problem-solving, analytical skill and also in Tech competition organized in our College.
- Secured within 75-80% in all the 4 semester and (results pending for further semesters).

12th Grade (UP Board)

P.D. Jain Inter College | 2021 – 2022

- Achieved 75% in the 12th grade with PCM.
-

Skills

Programming Languages

- **Java (core)** : Built projects using Java including GUI feature with Java Swing, Applied OOP concepts in class-based design, Comfortable working with conditionals, loops, and data structures (arrays, lists), Familiar with basic debugging and exception handling.
- **Python** : Comfortable writing Python scripts using variables, loops, and functions, and basic experience with file handling and working python modules.
- **C** : Proficient in C, with a solid understanding of data structures, algorithms, memory management.

- **HTML and CSS :** Understanding of HTML forms, tables, links, list structures, and background images for user attractive interaction and knows the basic fundamental use and knowledge of CSS3 for styling webpages and making it user-friendly design.
- **PHP and MYSQL:** Demonstrated ability to design backend logic, handle form submissions, and securely manage user sessions and data interactions with SQL.

Office Tools:

- MS Word, Excel, PowerPoint
